First Day School Planning Calendar 2020-2021

Building a curriculum plan or “road map” of topics and lessons for the year ahead allows you to gather inspiration, season ideas, seek out adults to teach, and present First Day plans to families. Connecting the themes of lessons from one week to the next gives your First Day programming coherence and energy.

There are many resources for planning: some links are provided below. Looking for support, or a conversation? Join a QREC Conversation Circle or see resources from past conversations: http://www.quakers4re.org/conversation-circles
